Date: January 17, 2007

NOTICE OF A DRAFT AIR CONSTRUCTION PERMIT AND A DRAFT PART 70 AIR QUALITY (TITLE V OPERATING) RENEWAL PERMIT

**GALEY & LORD INDUSTRIES, LCC (SOCIETY HILL PLANT)
U.S. HIGHWAY 15-401
SOCIETY HILL, SOUTH CAROLINA
(DARLINGTON COUNTY – REGION 4 FLORENCE EQC OFFICE)
AIR PERMIT NOS. 0820-0010-CN-R2 & TV-0820-0010**

Galey & Lord Industries, LLC (Galey) has applied to the SC DHEC for a construction permit to establish a federally-enforceable operating limit on existing equipment at its Society Hill Plant. A draft construction permit and engineering calculation sheets have been written by the BAQ outlining this proposal and applicable regulations.

The Society Hill plant produces dyed and finished fabrics. Galey was previously issued an air construction permit to install a replacement boiler at this plant. Galey is requesting that a federally enforceable operating limit of no more than 10% annual capacity be established for the replacement boiler. There will be no new construction at the facility as a result of this proposal.

DHEC has also received a Title V Operating (TV) Permit Renewal Application from this facility. A TV Renewal Permit (TV-0820-0010) has been drafted by the BAQ that will allow the facility to continue to operate as a major source under the requirements of this permit in accordance with SC DHEC Regulation 61-62.70 "Title V Operating Permit Program." If approved, this permit will supersede the existing TV permit issued to this facility on January 10, 2000.

All emission limitations and conditions contained in the draft permits have been written to ensure that this facility continues to operate in compliance with state and federal air quality regulations. The pollutant limitations and other permit conditions set forth in the draft permits have not yet been approved and are open to comment from the public, affected states, and the United States Environmental Protection Agency (EPA).

Interested persons may review the materials drafted and maintained by DHEC for this facility and submit written comments on the draft permit(s) by February 15, 2007, to Timothy Fitzgerald at the above DHEC address. All comments received by February 15, 2007, will be considered when making a decision to approve, disapprove, or modify the draft permits. Where there is a significant amount of public interest, DHEC may hold a public hearing to receive additional comments. Public hearing requests should be made in writing to Donna Moye at the above DHEC address or by e-mail at: moyedd@dhec.sc.gov. If a public hearing is requested and scheduled, notice will be given in this newspaper thirty (30) days in advance. A final review request may be filed after the permit decisions have been made. Information regarding final review procedures is available from DHEC's legal office at the above address or by calling (803) 898-3350.
